CREATE SAFE SPACING

Why CORE™ Safety Partitions Over Other Personal Protective Equipment (PPE) Products?

- Allows for face-to-face interactions while maintaining a safe separation
- Thick tempered safety glass with flat polished edges, holds up longer than plexiglass
- Sturdy powder-coated metal base available in several stock colors
- Spigots can be painted to match the base
- Anti-skid grip pads for stability included
- Simple to assemble, disassemble and install to meet any spaces' unique and varying needs
- Easy to clean and scratch-resistant
- Ships assembled or unassembled
- Built to stand up to long-term use
- Provides unobstructed view
- Designed, sourced, and manufactured in the USA
